Good morning -

Below are the most recent updates on the impacted locations from our fingerprint vendor, Idemia. Idemia has or will be contacting all impacted applicants to reschedule. Idemia is also working with the Pullman and Bremerton locations to temporarily move services to an area that reduces exposure to their core business clients. For now, Pullman remains open and a timeline for Bremerton will be provided ASAP.

Auburn, WA-8th St NE

- **Reason:** Fingerprinting agent is at home with flu-like symptoms, but is not confirmed to have the Coronavirus at this time. This caused the business to take the step of closing as a precautionary measure to minimize outside visitors into their office.
- **Closure Dates:** 3/13-3/27

Bellevue, WA-Main St –

- **Reason:** Site has decided to close again. One of the core business clients has tested positive and is hospitalized for the virus, one employee was in contact with client and one employee has been in the business office. Site wants to ensure that the virus is not circulating through their staff before re-opening.
- **Closure Dates:** 3/16-3/27

Bremerton, WA-Cascades Pass Blvd –

- **Reason:** A notice was sent today regarding this site's request to close next week for the health and safety of their staff and clients. They will update us next Thursday if the closure will need to be extended. All applicants have been contacted.
- **Closure Dates:** 3/9-3/13

Ocean Park, WA-O Lane –

- **Reason:** Location is an assisted living facility that is closing to non-essential personnel to reduce risk to their core business clients.
- **Closure Dates:** 3/26 and 4/9

Renton, WA-Main Ave S -

- **Reason:** Due to the spread of COVID 19 in the area, the site is taking all precautionary measures to protect staff and public by temporarily closing.
- **Closure Dates:** 3/16-3/31

Stanwood, WA-265th St NW -

- **Reason:** Facility that serves most vulnerable to COVID 19 is closing to non-essential personnel for a week at a time.
- **Closure Dates:** 3/11 and 3/13

We will keep you all updated as information becomes available.

Thank you.

Good morning,

As of today, April 13, 2021, the following fingerprinting locations are open. Bellevue and Ocean Park have suspended operations due to COVID-19 concerns. DSHS will be transitioning to a new fingerprint vendor on July 1, 2021. There will be a brief black out period when we switch over to the new vendor so please schedule applicants who are pending fingerprints now to avoid any delays.

ATTENTION: An order from the Secretary of Health requires Washingtonians, with some exceptions, to wear face coverings in public spaces (indoors in most situations and outdoors when 6 feet of distance isn't possible). People are individually responsible to comply with this order. A proclamation from Gov. Inslee prohibits businesses from allowing customers to enter without face coverings. Accommodations can be offered for customers who cannot wear masks.

ATTENTION: The Secretary of Health requires Washingtonians, with some exceptions, to wear face coverings in public spaces and practice physical distancing if you are not fully vaccinated. Face masks are still required in health care settings. Counties and businesses have the right to set their own rules and regulations on face coverings to respond to the level of transmission in the community. If you walk into an enrollment center that requires masks, you will be asked to respect those rules. Accommodations can be offered for customers who cannot wear masks.

Good morning,

As of today, April 13, 2021, the following fingerprinting locations are open. Bellevue and Ocean Park have suspended operations due to COVID-19 concerns. DSHS will be transitioning to a new fingerprint vendor on July 1, 2021. There will be a brief black out period when we switch over to the new vendor so please schedule applicants who are pending fingerprints now to avoid any delays.

ATTENTION: An order from the secretary of health requires Washingtonians, with some exceptions, to wear face coverings in public spaces (indoors in most situations and outdoors when 6 feet of distance isn't possible). People are individually responsible to comply with this order. A proclamation from Gov. Inslee prohibits businesses from allowing customers to enter without face coverings. Accommodations can be offered for customers who cannot wear masks.

ATTENTION: An order from the secretary of health requires Washingtonians, with some exceptions, to wear face coverings in public spaces (indoors in most situations and outdoors when 6 feet of distance isn't possible). People are individually responsible to comply with this order. A proclamation from Gov. Inslee prohibits businesses from allowing customers to enter without face coverings. Accommodations can be offered for customers who cannot wear masks.
